HEAVY DUTY. BIG VALUE.

The PBR Panel's heavy-duty properties make it a favorite for commercial and agricultural settings. This exposed-fastener panel serves as both a roofing and siding panel. For further options, a reversed profile of PBR is available. This robust rib design ensures strength to handle the elements and deliver exceptional performance and value across a whole exterior.

PBR COLORS

COLORS VARY FROM HERE TO THE REAL WORLD. PLEASE ORDER A SAMPLE AND PHYSICALLY REVIEW YOUR CHOICE TO ENSURE SATISFACTION.
